We were engaged by Jiangxi Copper Company Limited ("Jiangxi Copper") to provide reasonable assurance on its Refiner's Compliance Report for the year ended 31st December 2024.

Responsibilities

The directors of Jiangxi Copper are responsible for the preparation and presentation of the Refiner's Compliance Report in accordance with the *LBMA Responsible Gold Guidance* and the *LBMA Responsible Silver Guidance* (the *Guidances*). ... The responsibility includes establishing appropriate risk management and internal controls from which the reported information is derived. The criteria identified by the directors as relevant for demonstrating compliance with the *Guidances* are the activities described within the Refiner's Compliance Report.

Our responsibility is to carry out a reasonable assurance engagement in order to express a conclusion based on the work performed. We conducted our assurance engagement in accordance with International Standard on Assurance Engagements *ISAE 3000 Assurance Engagements other than Audits or Reviews of Historical Financial Information* issued by the International Auditing and Assurance Standards Board and the Guidance set out in the *LBMA Responsible Sourcing Programme - Third Party Audit Guidance* (the *Audit Guidance).*

This report has been prepared for Jiangxi Copper for the purpose of assisting the directors in determining whether Jiangxi Copper has complied with the *Guidances* and for no other purpose. Our assurance report is made solely to Jiangxi Copper in accordance with the terms of our engagement. We do not accept or assume responsibility to anyone other than Jiangxi Copper for our work, or for the conclusions we have reached in the assurance report.

Reasonable assurance procedures performed

We planned and performed our work to obtain all the evidence, information and explanations considered necessary in relation to the above scope. These procedures included:

- Enquiries of management to gain an understanding of Jiangxi Copper's processes and risk management protocols in place
- Enquiries of relevant staff responsible for the preparation of the Refiner's Compliance Report
- Site visits to the Refiner
- Assessment of the suitability of the policies, procedures and internal controls that Jiangxi Copper has in place to conform to the *Guidances*
- Review of a selection of the supporting documentation, including gold and silver supplier counterparty due diligence files and transaction's documentation
- Test of a selection of the underlying processes and controls that support the information in the Refiner's Compliance Report
- Review of the presentation of the Refiner's Compliance Report to ensure consistency with our findings

Inherent limitations

Non-financial information, such as that included in the Refiner's Compliance Report, is subject to more inherent limitations than financial information, given the more qualitative characteristics of the subject matter and the methods used for determining such information. The methods used by Refiners to comply with the *Guidances* may differ. It is important to read the Jiangxi Copper's gold and silver supply chain policy which can be reached from the contact of Jiangxi Copper.
